PRAYmissions

MaryAnn Barlow Encompass

Three Exploratory On-Field Trips

Please keep praying as we recruit young adults for three teams to France, Japan, and Central Asia. Pray that God will lead us to those He is preparing to be global workers. Pray for team members as they build support teams and that their experiences will allow them to understand God's heart for the nations.

Prep for 4 Big Events

Please pray for preparation and planning, taking place right now, for the four Big events that allow Encompass World Partners to connect with churches and individuals in the Charis Fellowship: Encounter Atlanta, Momentum, the Charis Fellowship Conference, and Encounter Columbus—scheduled between now and the end of the Summer.

Training

Perspectives: I'm working hard to update knowledge of missiology by taking the Perspectives Course. It is extremely helpful to renew and grow my passion, as well as my capacity to teach about God's glory.

Family

Megane's pregnancy is progressing well, and her due date is approaching (end of the month). We're praying for a safe delivery and for the Ranger's adjustment to two children. Closer to home, my mother suffered a mild stroke last week. We rejoice that we were here with her and that we were able to schedule important medical appointments so quickly. Pray that God will lead and we will listen, as we adjust to the ramifications.

See the Welcome Center bulletin board for the full missionary prayer letters.
