

PRAYmissions

Encompass World Partners

Thierry, our Transformation Works Network director, lives in Lyon, France, with his family. He helps people use creativity to build bridges and share Christ. He realizes that we can't separate preaching the gospel from being the feet and hands of Jesus, and he wants to see the good news transform people. We are called to contribute to the transformation of society and of people, which only happens through Jesus Christ. **Pray** for Thierry and his family as Covid restrictions affect the many businesses comprising this network. **Pray** that God opens doors of opportunity even during difficult times.

Even though Western Asia had heavy lockdown restrictions, Justin and Avery* were able to continue ministry and kids' schooling in outdoor settings. This summer their teammates will be leaving the country, so Justin and Avery are realizing that for their family's well-being and ministry, they may need to relocate to another city so they have more support and fellowship. **Pray** for them as they seek God in this decision. **Pray** for His continued work during this time.

We are sad to announce the loss of an influential Latin American leader to COVID-19. Paris Peña, who represented Guatemala in Charis International Forums, passed away last week. He leaves behind a wife and young children. Paris is the third Latin American church leader to succumb to COVID-19, and we mourn the loss of each of these amazing gentlemen. Pastor Ray Lobo from Brazil went to be with the Lord earlier this year, as did Pastor Armando Vierya from Mexico last year. Pray for their families left behind. Pray for their churches as they search for new leadership. Pray for churches across Latin America as COVID-19 remains especially severe in this area.

Our Church Planting Network members have worked hard to innovate and adapt to the global changes over the past year.

See the Welcome Center bulletin board for the full missionary prayer letters.
