## Encompass World Partners

In Poland, less than one in 5,000 people know Jesus, making this one of the least reached countries in the world. Lodz, its third-largest city, has a significant homeless population, and temperatures frequently drop below zero in the winter. Vance and Jenn shudder at the reports of how many freeze to death. When Vance asked outdoor companies for discounts on display and lightly used sleeping bags, Marmot was eager to help and sent him 30 for free! Praise God for these resources and the opportunities Vance and his friends had to share Christ while distributing them.

Ralph and Joan are excited at the ministry doors God is opening in Japan. Joan meets with ladies in English Conversation groups and outreach Bible studies. Ralph leads a Bible study and has also made new connections through archery. Since he was invited to join the regional Archery Association, he anticipates even more gospel opportunities. Iejima leaders responded favorably to Ralph's plan to continue doing Youth Camps there twice a year, provided Covid has settled down when they will be underway. Praise God for continued gospel advance in Japan. Praise Him for using Ralph and Joan in their community.

Charis leaders in Mexico are praising God for a drop in Covid infections and deaths. Over the last few months during this crisis, these leaders raised gifts to help church members and pastors who were sick. Praise God for the solidarity, cooperation, and love between Charis churches in Mexico. Praise Him that the health crisis is waning in this location.

Earlier this spring, Encompass' Mobilization Services Network excitedly welcomed our new mobilizer Gwen to our mobilizer team. Our mobilizers seek to connect people to the ministry God is calling them to, and this position is critical to keeping new workers coming.

See the Welcome Center bulletin board for the full missionary prayer letters.
