

PRAYmissions

Burgess Family

I'll start off with a couple of time sensitive prayer requests.

Praise god that the Study Bible for Africa arrived at the port of Douala, Cameroon. A Christian transporter now has to bring 600 copies from Douala to Kouseri, Cameroon traveling on 1,000 miles of bad roads to the border with Chad. Our organizational team informed us that "the roads are in very poor condition. Please pray that the Bibles would make it safely and in time for our Training Time to be held in N'Djamena.

September Cameroon Study Bible Training Time

In September, we held a Training Time for the Study Bible in Yaounde Cameroon. 50 participants attended the 2-day training time. Among the attendees was the Vice President of the Association of Evangelicals for all of Africa, Dr. Jean Libom, as well as representatives from the Cameroon Bible Society. The two days of training were followed by a morning of celebration and dedication of the Bible. Our prayer is to see the Study Bible help African Christians read more frequently, understand more deeply and live out more fully the truth of God's Word in their daily life.

Chad Training preparations in full swing

Please pray for the organizational team in N'Djamena, Chad who are currently preparing for a Study Bible training time. Barka Kamnadj is leading his local team to set up all the logistics and to communicate to the city's Church, leaders about the upcoming 3-day event. Please pray for Barka, Job, Osee, Nadia and the other organizational team members, that God would give them the strength needed to accomplish the many tasks before them in the coming weeks.

Inter-generational Worship Services

With all the young families in our Church, we've started doing a monthly inter-generational worship service with adults and kids together. The two we've held have gone well and fostered good interaction between old and young.

See the Welcome Center bulletin board for the full missionary prayer letters.

A special thank you to Karen Bays and all her helpers this past Sunday for the beautiful decorations throughout the church. It looks amazing.

Events: as we begin to pick up in activity, it is more important than ever that everyone who is planning on an activity that will take place on the church campus must complete an event request form. It is crucial that we coordinate the preparation and cleaning of the space and that we coordinate the usage of various spaces on campus.
