

# PRAYmissions

## Harrison's in Western Asia

He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners, to proclaim the year of favor.

We own a house!!!! It's official. It's done. The house is ours (legally). Thank you so much for all your prayers and thoughts toward us in this process. Thankyou for the financial gifts that made this possible. There is impossible abundance in Our Provider. We still have a legal trek before we can move in and apply for our visas, but what we have waited for so long is now realized.

Yesterday, the girls and I (Katelyn) attended a dunking of a new believer. Together we celebrated her new birth-day. Praise God! While followers among this people group are rare, among woman, it is very uncommon. John and I attended Sister Sarah's dunking a few years ago.

What an incredible blessing to that the Lord would allow me to witness the dunking of two A. Women. Keep both women close in your prayers, as heir following has not made life easy. Pray for their circles of influence and community, that these women would see the vision our Father holds for them and step into it boldly.

See the Welcome Center bulletin board for the full missionary prayer letters.
