

PRAYmissions

Harrison in Asia

Be in prayer for...

- Our field. This last weekend I attended a dunking of an A sister “Gabi”. Please **pray** for her and her family (all like-minded) as they live, work, and find ways to share the Good News in this place. **Pray** that the Lord would be near to them in comfort and in power. **Pray** also for the A fellowship as they take a retreat this month. Our teammates have scheduled several families to get out of the city, spend dedicated time in the word, and have extended fellowship. **Pray** that the Spirit would move powerfully during this time and that our teammates would be strengthened to plan the details of the time together.
- Our team. Some of our team will be taking dedicated time for team building and communication building this month. **Pray** that we grow in our ability to understand, communicate, and support each other in the work we are here to do and in our personal lives. **Pray** that the enemy would be weak and the Lord would be strong.
- Our family. Friends, we have been so sick. From the end of November, we have had one illness after another rotate through our family. Some are worse, but some have been quite unpleasant. Because of this we missed out on our Christmas and New Years plans. The kids are currently on a “one week on, one week off” rotation from school because they keep getting new viruses. While we did anticipate so many sicknesses, would you still **pray** for us? In this too, may we wait for the Lord and accept what he brings us with patience and grace.
- School. We are moving into a season with the kid’s school where the kids are understanding more of the language... but with more language comes more responsibility. **Pray** that they and I can navigate the new level of communication and expectations that are on us. **Pray** that we can set up tutors for the kids at school for the new semester in February.

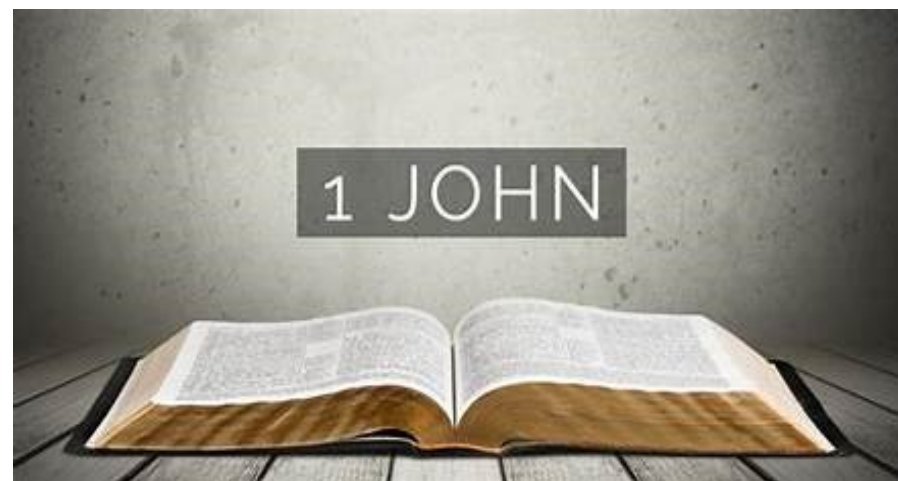

See the Welcome Center bulletin board for the full missionary prayer letters.

Love in a Bag Thank you for your continued support for Love in a bag. The need has increased to 48 bags a week and still may climb. In the past we have never done more than 33 a week. So far the increased need is being met with your support. Please continue to give and we will let you know if we are not able to reach the goal needed.

Events: as we begin to pick up in activity, it is more important than ever that everyone who is planning on an activity that will take place on the church campus must complete an event request form. It is crucial that we coordinate the preparation and cleaning of the space and that we coordinate the usage of various spaces on campus.

Donor Envelopes remaining donor envelopes were mailed out last week. If you were unable to pick them up please keep an eye out in the mail for them. Thank you all for your giving hearts. If you would like a set of envelopes for giving please let Tiffany know and she will get them for you.
