

Harrison in Asia

We are so thankful for everything the Lord has done through you this last year and are praying for his hand in everything that He is currently making happen!

I wanted to make you aware of an ongoing short-term opportunity to serve with our team in Western Asia. As you may know, our team currently consists of two families, and between us we have 9 kids! Amazing. Our kids provide us with some incredible opportunities for relationship in the community, but there are times it can be really difficult knowing how to prioritize kids vs "work". For example, when my kids were on sickness rotation for 4 weeks straight it was really difficult to give my attention to language study and my neighbors! One of the great sacrifices we made coming here is the support networks of our families and communities.

With this in mind, we have created an opportunity for members of your fellowship to serve with our team, love on our kids, and open avenues for ministry. Whether you are looking specifically for a cross cultural experience or just want to support our families, we would love to have you.

We are currently taking applications for child care interns for the fall of 2024. The opportunity will be facilitated by Encompass World Partners. The time commitment is for three months, either in the spring, summer, or fall. You can contact Dave Pacheco directly at dpacheco@encompassworld.org or 740-513-6697

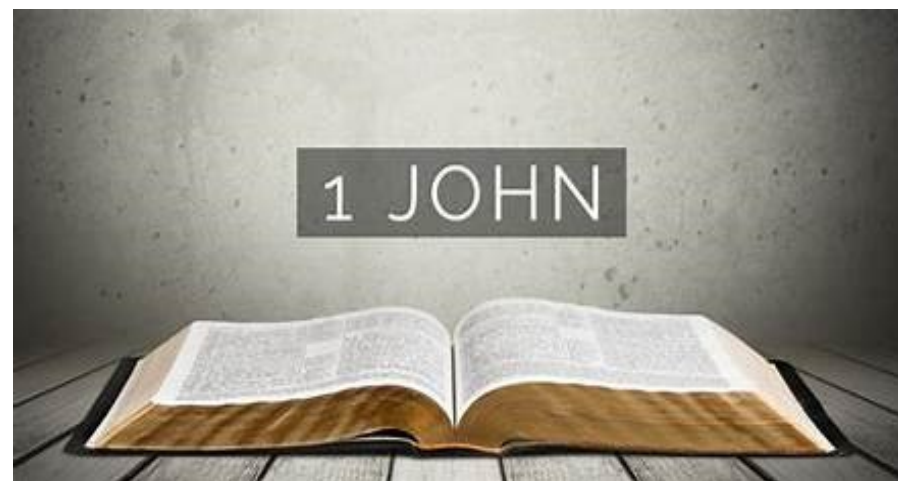

See the Welcome Center bulletin board for the full missionary prayer letters.
