Karen Foster in Cameroon

Greetings from soggy Yaounde. Only one class I'm involved in has been delayed for rain so far this season. Half of the Bible institute wives showed up on Wednesday. We started a half hour late, and yes finished late too. For Literacy that day, I took Augustine from the can-read group and Bernadette from the intermediate group and we did some Bible verses very slowly. Augustine thanked me, saying that usually it's "very fast." Bernadette kept one hand in her cheek like she had a toothache and squinted so much that I asked her afterwards about her vision. She's fine. She was just working extremely hard! Working hard is characteristic of Bernadette.

Sonya was chosen for some teacher-training that Jason Carmean will give to a few ladies in November, along with two ladies who are studying with the "students" (men will be pastors); Naomi and Catherine. Our two current teachers, Rosine and Nathalie, will also attend. Someone told Huguette about this and she came to talk to me after class and asked if she could participate too. "I'll just listen. I don't want to look big or anything. My church's ladies really need help." Gotta love her. She will attend. Before this request, in the Bible class on suffering, we read the list of the apostle Paul's hardship in 2 Corinthians 11. Huguette commented that what touched her was how he hurt for the churches.

Pray! Now what are we going to do when the other three in the can-read group hear that Sonya and Huguette are going to teach training and they are not??? Huguette and those three don't have as much reading ability as the other participants.

Some other training issues to be **praying** about:

Lesson writing for Bible institute wives, we quickly saw that Rosine and Nathalie couldn't come up with much lesson content. Jason pointed out that they were hired to teach, not to write. Jacquie Jensen and I are working on lessons. Thank the Lord with me that Jacquie and her husband Doug just arrived back in Yaounde on Sept. 26. As I watch Nathalie and Rosine teach I can see what they didn't understand will in a lesson and what they emphasize and how they illustrate it. Then the lessons get edited for future classes. Did you hear me yell "Hurray!" when I finished the big "Biblical Church" course lessons? They took me a ton of time, even though some of it I barrowed. The course covers parts of the book of Acts, church history, how the church functions, spiritual gifts and Jesus' return—in 40 hours.

See the Welcome Center bulletin board for the full missionary prayer letters.

Need to borrow something from GCC? To help us keep track of church property, please contact the church office prior to borrowing things. We will verify that no one needs it for their ministry before you sign it out. *Thanks for your help with this!*

Multiplication Teams: Life is better with friends! Laugh together; pray together; probe questions and read scripture together. Do life with a group a friends who meet face-to-face or electronically. Contact a group leader (above) to learn more and get started.

Pray for our children and teachers as school is changing, and is a day to day process. Patience required! Pray, too, for church ministries as we seek effective ways to serve when our old routines are no longer available.
