

PRAYmissions

Barlows in Birmingham

“Walk and Talk” Messy Church: The Walk and Talk Messy Church event itself went well, but far fewer took part than we had hoped; frankly, it was discouraging. But we remain convinced that the idea has real potential. **Pray** with our team as we digest the disappointment, ask why attendance was low, and make adjustments for the next one-which is tentatively planned for the end of October. Thanks!

Reaching out During Covid-19 Times: Though we are unable to meet in large groups, our team can still do one-to-one meet-ups in cafes, restaurants and public parks-following all the guidelines. And we are exploring ways to increase our online presence, both for discipleship and reaching out. **Pray** for creativity and effectiveness use of the tools and mediums that are available.

Coaching and Training: Since we spend less time preparing for Grace Groups and other public gatherings, both of us and some of our teammates have used the time to complete training-from perinatal care to CBT to the next level in coaching proficiency. **Pray** that the added competencies will allow us to be better disciple-makers in current and future avenues of ministry.

Family Front: Covid-19 protocols have eliminated in person visits with Tom and Megane, and we are seeing the impact on our other daughters and their families. May we all be creative in coming alongside each other to help navigate this unusual and prolonged C-19 season!

Karen Foster in Cameroon

October ends in Cameroon: And the time does not change. It never changes at 3.8480 degrees North or the equator. There's no Halloween either. If Cameroon's orders weren't still closed to visitors, you'd be looking for tickets right?

See the Welcome Center bulletin board for the full missionary prayer letters.

Upward We have been praying about the 2021 season of Upward and we have decided to cancel it for the 2021 season. Please keep all the children in your prayers that usually participate.

Need to borrow something from GCC? To help us keep track of church property, please contact the church office prior to borrowing things. We will verify that no one needs it for their ministry before you sign it out. *Thanks for your help with this!*

Multiplication Teams: Life is better with friends! Laugh together; pray together; probe questions and read scripture together. Do life with a group a friends who meet face-to-face or electronically. Contact a group leader (above) to learn more and get started.

Operation Christmas Child has been cancelled through the church this year, however please still support them in whatever way possible at samaritanspurse.org. They still need your help and prayers!
