

# PRAYmissions

## **Bloemhof in France**

For the month of November, France is on partial lockdown. This means Jean, that girls and I could use prayer. As many of you have experienced, cancellations are not easy, nor is it easy to have restricted outside time. Please pray for us to know how to best continue to serve God, the church, plus our little family and neighbors. This also means that schools are open (with face masks for the children and teachers) and that most of the people work from home if possible. The only authorized outings are to the grocery store, medical appointments, etc. as well as outdoor exercise for a limited time and distance ( 1 hour) from your home. In spite of all these restrictions, the Gospel is not restricted...keep reading to learn how ministry to children continues.

VBS by Zoom: This past summer was a first for me: VBS by Zoom!!! It was a challenge and a joy to be part of a teaching team for a 5 day VBS online. 27 children connected from across France, and one child from Gabon! Many lessons were learned (adults and kids), games played, laughs shared, and most importantly, the Gospel was explained. Anna and Sophie (my daughters) joined in and invited 2 friends from school. The friends participated and had a great time. Please pray for Emma and Gabriel to know the Lord.

Teacher Training: A Teaching Children Effectively (CEF teacher training course) is underway with 18 participants. The course began in person, and is now online. I'm glad to be able to help evaluate the Bible lessons of the participants, and to answer their questions along the way. Please pray for my co-worker Sabine who is leading the group, along with the teaching team, and those taking the course.

Wondersurf.com: The French wondersurf site had hundreds of new children visiting the site this past Spring! Thank God for this blessing! New Bible lessons were filmed, volunteers were trained to grade the increase of Bible lessons.

See the Welcome Center bulletin board for the full missionary prayer letters.
