## Mike and Kris Reed Awana

It has been a blessing to see creativity abound despite difficulties this club year. Ashland Oldham County Church, La Grange, KY, has weekly Facebook lessons and monthly Awana Family Nights. Families work together to learn more about the gospel and become equipped to live gospel-filled lives individually, in community, and on mission.

Although Highland Park First Baptist Church, Louisville, KY, continues to meet virtually, they incorporate songs and verses into their Sunday evening Sunday schooltime. Their deeply committed leaders reach out to each of their students each week.

We enjoy receiving sparky letters. It is a gift to hear what they love about Awana, but most importantly, how they love learning and saying the word of God. We are grateful that His Word will never turn void.

**Praises:** For all our children and grandchildren being home together for two days over Christmas. For the fantastic leaders committed to engaging with their Awana kids and teaching them the Word and love of God

**Ministry Goals:** For deeper connection with the churches we serve. For the development of content for online basic training to implement this summer. For the preparation of webinars this quarter to equip and encourage leaders across our territory.

**Prayer requests:** For continued efforts to connect and encourage leaders starting Awana this winter instead of this past fall. For our ability to encourage the weary for those who have had Awana in some form no matter what. For our daughter, Katie, as she moves back to Kansas this weekend and drives 800 miles by herself.

See the Welcome Center bulletin board for the full missionary prayer letters.
